

HIGHLAND CREEK
RCL BRANCH 258

PRESIDENT MAY 2020 REPORT

45 LAWSON ROAD

Branch 258 remains closed until permission to re-open is given by all levels of Government and the Legion Command. This is a very unfortunate situation for all of us. I have no information regarding the re-opening of the Legion Branches, but my feeling is that it may last until August.

The Zone D5 Annual Pine Hills Pilgrimage has been cancelled this year due to Pine Hills Group cancelling all events to be held on their property till the end of September this year.

I am saddened to report the passing away of two former long-term members of Branch 258. WWII Veteran **Ivor Rooney** due to the Covid 19 epidemic, and **Irwin Boes** who passed away suddenly last month. Our condolences go out to their families.

We will remember them.

Members of the Branch Ladies Auxiliary prepared 150 meals of fish and chips to be distributed to the Malvern Eats programme for the less fortunate. Brenda Butt, Ann Butterfield, Irene Stevens and Vera Roy did an amazing job. Well-done Ladies.

305 Morrish Road

We have received drawings of the property that gives us an accurate summary of the square footage of the building. Greyson Construction are now preparing floor plans that will show how we can make the best use of the available space within the building. I have been informed that very little, if any, additions or alterations can be made to the front of the property.

This is due to the original zoning and permits being issued when the property was built. It is very likely that we will lose some of the lawn area to the south of the building due to the need for extra parking spaces.

The Branch 258 Property Committee has been set up By Comrade David Adamson. I will keep you informed of any developments as we move forward.

Keep safe and well.

Richard Viles

Branch President
