

HIGHLAND CREEK
RCL BRANCH 258

PRESIDENTS - REPORT JUNE 2020

45 LAWSON ROAD

Branch 258 has been closed for 78 days as of today 3rd June. I wish I could be in a position to tell you all when the Branch will re-open, but that is not the case.

My own feeling is that this situation will be with us until the Provincial Government allows bars to open for business. Karen has completed the fiscal year 2019-2020 financial reports ready for the Branch inspection later this year.

The work party is doing a great job keeping our outside area clean and tidy. The grass still grows even if the Branch is closed.

The LA has cooked and donated food to those in our area who are less fortunate and vulnerable.

Well-done Ladies.

The Branch will have to be completely sanitized when we do re-open and I am considering asking a professional company to do the job, as I want all of our members to feel comfortable and safe when they come into 258.

305 MORRISH ROAD

The Property Committee has invited three construction companies to provide recommendations and suggestions as to how we can best utilize the space available based on what we currently have at 258. They have looked at our Branch in order to gain a better understanding of what have and what we need. No decisions have been made and any proposal will have to be ratified by the Branch Executive and the General Membership. I will keep you all updated as things progress. Keep well and stay safe. Things will get better

Yours in Comradeship,

Richard Viles

Richard Viles. President Branch 258
